

PARK AVENUE CLUB

This Summer on Monday, June 22nd, the Park Avenue Foundation (“PAF”) will be hosting its annual golf outing at the Morris County Golf Club. In addition to providing a wonderful opportunity for Park Avenue Club (“PAC”) members and their guests to enjoy a great day of fun and excitement, a prime purpose of the event is to support the charitable and cultural organizations of the PAF.

Since its founding in 1994, PAC has been fulfilling its mission in not only providing a memorable dining experience for its members, but also in creating ongoing support for PAF, which in turn celebrates “The Spirit of Giving” in our community. Proceeds from this event will be used to support the charitable and cultural organizations that are supported by the Park Avenue Foundation.

However, to ensure a dynamic impact on our support of PAF, we need your help. One way you can help is to join us on June 22nd through your participation as a golfer. The course is in great shape and a terrific venue for such an event. A second way is to reach out to those businesses, organizations, and other contacts you may know and ask them to consider becoming an event sponsor. There are many benefits for the event sponsors. These include marketing exposure to a select group of golfers, many of whom are the decision makers within their respective organizations. Another benefit is sponsor satisfaction in knowing that they will be supporting a most worthwhile cause.

How can you sign up? There are several ways including:

- Stop by the PAC lobby and fill out the form found in the reception area.
- Go to PAC’s website (www.parkavenueclub.com) for outing sign up and payment information.
- For sponsorships opportunities, contact Michael Marchese at 201-787-7634 or mmarchese@ngkf.com.

We hope you will join us in supporting PAF and making our annual golf outing a terrific success. Thank you for your consideration.

Sincerely,

Vince Egan
Event Chairman
